v.

Case Number

ORDER GRANTING

**STIPULATION TO VACATE AND
 CONTINUE THE VIRTUAL EARLY
 NEUTRAL EVALUATION
 (Second Request)**

IT IS HEREBY STIPULATED AND AGREED, pursuant to Local Rule (“LR”) IA 6-1, between the parties, by and through their counsel of record, for an order vacating and continuing the Virtual Early Neutral Evaluation (“ENE”) as set forth below:

1. The parties are scheduled to attend a Virtual ENE before United States Magistrate Judge Carla Baldwin on September 12, 2024 at 9:00 a.m. (ECF # 35.)

2. Previously, the parties attended a Virtual ENE on May 7, 2024. (ECF # 21.) But after conferring privately with the Court, the parties agreed to continue the Virtual ENE at a later

date after some targeted discovery had been completed. (ECF #30.)

3. Counsel for Plaintiff Maegen Morrison recently entered his appearance on this case after her prior attorney withdrew. (ECF #38; ECF #40.)

4. The parties agree that the ENE is premature at this time due, in part, to various ongoing discovery issues. The parties just engaged in another round of discovery this week.

5. No party will suffer prejudice as a result of continuing the Virtual ENE and the parties make this request in good faith.

6. For these reasons, the parties respectfully request that the Court vacate the Virtual ENE until further notice.

Date: September 6, 2024

Respectfully submitted,
